November 27, 2020

Dear Marina Electrical Equipment Customer,

This letter is to advise you that Marina Electrical Equipment ("MEE") will no longer provide warranty replacement support for Eaton Cutler-Hammer QCGF and QCGFEP ground fault circuit breakers effective immediately. This results from Eaton Cutler-Hammer's lack of warranty support to MEE as an OEM. Warranty support for MEE-manufactured ground fault protective relays will remain unaffected.

MEE is committed to providing premier products and services to our customers. If you have any questions concerning this cancellation, please do not hesitate to contact us at 1-855-258-3939.

Thank you for your support and continued business.

Sincerely,

Marina Electrical Equipment, Inc.
