## Utility Center Model BU3050

STANDARD DIMENSIONS: 14.5" H 11" W 10.625" D

The "Bayside" was developed as an economical solution for marinas and personal docks where space is limited. This compact utility center can handle a large current load, but is small enough to mount neatly on a triangular dock box or piling, keeping the deck surface clean and uncluttered. This attractive, little unit is packed full of features and electrical service capabilities without compromising quality or ease-of-use.
